

Boys & Girls Golf Championship

Bluewater Athletic Association

Location : Legacy Ridge Golf Club

Player & Coach Meeting : 8:40 a.m.

First Tee Time : 9:00 a.m. (Boys)
10:30 a.m. (Girls)

Cost : \$40/player (includes lunch, jumbo hot dog, chips, water)

OSDSS is looking to improve their golf program to include a wider range of players that are interested in learning the game and improving their skills. As such, the Golf "Club" includes everyone interested, and from the club, players are eligible to tryout for the competitive team (4 + 1 or 2 alternates).

The competitive team will play, practise, and compete during the fall season. Those unsuccessful in earning a spot on the competitive team will rejoin us in the Spring for some clinics, practise rounds, and a tournament OSDSS will be hosting with a Recreational division and a Competitive division using a scramble format. Stay tuned for details and registration!

In order to compete at the BAA Competition we are encouraging both Boy and Girl entries to consistently shoot under 120. This is a qualifying tournament, and it is not fair to put first time or very inexperienced golfers with those that are playing a bit more seriously in hopes of advancing to CWOSSA.

BAA can send a maximum of 6 teams and 4 individuals not on a qualifying team to CWOSSA. Similar to OFSAA regulations, qualifying individual players require scores under 120. We also suggest team totals be under 315 (avg of 105 for the top 3 finishes per school team). This is in the spirit of the game and in the best interests of high school golfers across the CWOSSA region.

The following items must be completed ASAP with an absolute deadline of Monday Sept. 23rd at 4pm

- Online School Registration for all Boy & Girl Participants (max. of 4 players each)
 - Boys Link : <https://forms.gle/ChbCTa4WCo8UV8qV7>
 - Girls Link : <https://forms.gle/NbE7P9uFDtNNEi6U9>
- Player Eligibility Completed in the AELS and E-Mailed to jasonplayter@oscvl.com

Looking forward to an excellent day of golf for local youth next week!
